

# Analysis of Performance Influencing Factors in INVASE

## Research Question

1. Within the framework of INVASE, how do the following factors influence the explainer's ability to identify relevant features while discarding irrelevant ones?
  - A. Does longer training improve the explainer's performance? If not, how does it affect the results?
  - B. If longer training may lead to worse performance, what policy could be proposed to prevent selecting a suboptimal explainer?
